TRENDS FOR 2023

ARCHES

Beautiful architecture aesthetics are making a comeback to interior design.

Oversized hallway barrel arches, and glass arch doors leading outside are two of the most popular ways to bring this trend to your home.

NATURAL ELEMENTS

Furniture that emulates the great outdoors and makes you feel at peace with nature.

You'll see more natural shapes in furniture, like tree trunk console and end tables, more greenery placed throughout the home and colors from nature, like shades of browns, reds, blues and greens.

CALM NATURE

Wellness living has become more popular over the last few years and designers are linking cozy textures to home design.

Organic materials such as wool, boucle, velvet and ceramics are key elements you'll see inside the home.
